ONE ROOM, MULTIPLE STYLES. FIND YOUR LOOK.

Visualizing a space and applying a style are two very different skill sets. To help trigger your imagination and simplify the process, we created a basic floor plan in which a variety of on-trend architectural elements and fixtures are placed in the exact same arrangement. Picture yourself standing in each of four distinct design motifs. You'll find looks that range from minimalist and fun to ones that evoke Old Hollywood glamour. The very best part? Decorá allows diversity of design, no matter what your style!

A blank canvas lets you imagine many looks. With plenty of room to live well, this 12 x 15 primary suite begs you to think about trends you want to incorporate, colors that you love and most of all, how the space will work best for you.
